WEATHER WARNING

- Palma Met Office says that unsettled and cold weather will continue and more snow could fall in mountain areas.
- Odds have been slashed on Majorca enjoying a white Christmas this year. Page 3

EURO-ZONE ECONOMY

**Things are
starting to
look better**

● German Finance Minister Wolfgang Schaeuble said yesterday that there were no longer any risks of contagion in the euro zone, and Greek Prime Minister Antonis Samaras stressed yesterday his country did not need a further bailout.
