NIGELLA LAWSON 'NOT PROUD OF DRUG USE'

Spain and Britain back on the right economic track

SPAIN

● Ratings agency says that there has been a real improvement in Spain's economy and government finances. The agency says that the country appears to be on the right track.

BRITAIN

● Finance minister George Osborne celebrated a sharp turnaround in Britain's economy as vindication of his austerity push, but said he would not relax his grip on public spending in the years ahead.
