The Fornalutx code breaker:

● Veronica More was stationed at the ultra-secret Bletchley Park code breaking centre in World War 2. Their work helped the Allies win the war and inspired the new film, **The Imitation Game** now showing in Palma in English. See Pages 4 and 5.

End of big pay-outs

● Britain's ruling Conservatives said yesterday they would cap redundancy payments for public-sector workers at 95,000 pounds (\$145,588) if they win a national election set for 7 May, as part of their drive to rein in state spending. Official forecasts suggest 1 million government jobs will go over the course of the next five-year parliament. The Conservatives and their Liberal Democrat coalition partners have already cut about 400,000 public sector jobs since taking power in 2010.

BALEARIC POPULATION FALLS AGAIN
