Carnival time: Centres

# Hoteliers agree to pay tourist tax for this season

- Kind-hearted move will cost them between 50 and 80 million euros.
- Balearic government will introduce controversial surcharge on 1 June .
- Hoteliers had warned that the tax would hit holiday bookings and tourists could go elsewhere.
- **See Page Three Inside**

Holidaymakers will escape surcharge this summer.

## Protests over plans to close bread factory: P5
