LONDON HORROR

- Police officer was one of the victims of the attack.
- The attacker was shot by armed

- police officers and there are scores of people who are injured.
- Central London on full alert.

FOUR people, including a police officer and a man believed to be the attacker, died in a terrorist incident near the Houses of Parliament in London, Scotland Yard said last night.

- A woman was among several pedestrians struck by a car on Westminster bridge, before it crashed into railings.
- An officer was stabbed in the Houses of Parliament by an attacker, who was shot by police.
- At least 20 people were injured, including three other officers.

- French Prime Minister Bernard Cazeneuve said three French nationals were injured. French media reported they were high-school students.
- Reuters reporters inside parliament saw a large number of armed police, some carrying shields, pouring into the building. A helicopter ambulance landed on Parliament Square.
- The incident took place on the first anniversary of attacks by Islamist militants that killed 32 people in Brussels.
