A PERFECT DAY: See Inside

MAJORCA TO THE RESCUE

- King and Queen visit San Lorenzo as emergency services say that no more volunteers are needed to help with the rescue and clean-up operation which has been launched in the area.
- Hundreds of people have volunteered

their services to help the San Lorenzo area in its hour of need.

- The emergency services have thanked all those who have offered to help.
- See Full Reports Inside Today.

King and Queen visited the area yesterday.

Massive clean-up operation has been launched.
