# THANKS FOR GIVING SO MUCH

● A U.S. military veteran suffered an injury while taking part in a sporting event on the island. His ordeal in hospital would have been tougher if it hadn't been for the hard work of the U.S. Consular Agency, the kind-hearted U.S. community and a special Thanksgiving lunch from the *Bulletin* and Can Eduardo.

**A** U.S. military veteran came to the island to take part in a sporting competition. He suffered an injury and was rushed to hospital. It is hard enough being in hospital but when you are alone and in a foreign country it is much harder. U.S. Consular Agent Kimberly Marshall sent out a message to the U.S. community on the island asking for hospital visitors. The response was fantastic...she had 50 volunteers in the space of two hours. Now we all know Thanksgiving is very important for U.S. citizens....so Kimberly Marshall was able to take a special and traditional Thanksgiving meal to hospital yesterday prepared by Jonny Maloney of Can Eduardo. It was the same meal which had been enjoyed by *Bulletin* readers at our traditional Thanksgiving event.
