#### WORLD'S BEST RESTAURANT

**Spanish chef Adria to reopen famed elBulli, won't serve food**

● Spanish celebrity chef Ferran Adria is to reopen his once world-famous elBulli venture next year - but not serving food.

The former three-Michelin-star restaurant on the shores of Catalonia's Costa Brava, once considered the world's best for four years in a row, will instead house a laboratory and museum of culinary innovation, Adria told Reuters on Monday.

"The mission of 'elBulli1846' is ... to create quality knowledge of restaurant gastronomy and everything that surrounds it," the 56-year-old Catalan said before going on stage at the Madrid Fusion gastronomic congress. See page 24.
