## Boris is my guy, says Donald Trump

**F**ormer British foreign minister and Brexit campaigner Boris Johnson would make a "very good" next UK prime minister, U.S. President Donald Trump said, intervening in the Conservative Party's leadership contest ahead of a state visit next week. "I think Boris would do a very good job. I think he would be excellent," Trump told the *Sun* newspaper. Trump said a number of Conservative lawmakers had sought his endorsement - though not environment minister Michael Gove, who had criticised his stance on Iran - and that he appreciated foreign minister Jeremy Hunt's pledge to spend more on defence.

"Yup. Like him," Trump said when asked about Hunt.

## Mallorca Files ready for BBC1

Palma.—Filming on the new BBC1 detective series *The Mallorca Files* is drawing to a close on the island after filming since November. "It's a really fun show, I hope," creator Dan Sefton told *RadioTimes.com*. "BBC Daytime have commissioned it, and it's going to have a run like Shakespeare and Hathaway. But I think it's

also going out on German primetime and French primetime, because that's our deal." British police detective Miranda Blake and German investigator Max Winter are polar opposites in the series but they come together to solve a whole series of crimes. It will be screened on BBC1 later this year.
