Madrid.— A Brussels court has suspended the extradition of former Catalan pro-independence leader Carles Puigdemont, his lawyer said yesterday. Paul Beckaert told Reuters that the Belgian judge in charge of the case had ruled in favour of Puigdemont and Toni Comin, another former member of the Catalan government, citing their immunity as members of the European Parliament (MEPs).

The Belgian federal prosecutor's office was not immediately available for comment.

The pair are wanted in Spain on charges of sedition after organising a failed Catalan independence referendum
