Filming for *White Lines* second series in the autumn: Inside

“THE END OF CHEAP LABOUR FROM EUROPE”

● Britain will prioritise access for high-skilled workers from around the world in its post-Brexit points-based immigration system.

● “We need to shift the focus of our economy away from reliance on cheap labour from Europe,” the government said. See Page 20.

Caroline Flack died by hanging, inquest hears: See Report on Page 21
