Spain's coronavirus death toll rose by 832 cases overnight to 5,690, the health ministry said yesterday, marking a new high in the daily rise in fatalities. The total number of those infected rose to 72,248 from 64,059 on Friday.

● As Majorca marks the second week of lockdown *Bulletin* writers take a look at how local residents are coping with the situation.

● From home schooling to running a business English-speaking local residents are making the best of a bad situation. See Pages 15 to 18 *Inside Today*.
