# THE CROWNING GLORY FOR MAJORCA?

**M**AJORCA could play a role in the fifth series of the hugely successful Netflix production, *The Crown*. A team from the production company has been scouting locations on the island and it is hoped that Majorca could get a star part. *The Crown* previously filmed some of the scenes of series 3 on the mainland and it is hoped that this time Majorca will get its lucky break.

Planning is already underway on the fifth series with filming expected to start in June with the series being shown next year. *The Crown* has also confirmed that it will be a sixth and final series.
