WHAT NEXT?

The Balearic government is coming under increasing pressure to take radical action as Covid cases continue to rise. *Inside*

A week ago, the COVID-19 hospital ward in Barcelona where doctor Inmaculada Lopez Montesinos works had just a few patients. Now it is full and the Hospital del Mar has opened two extra floors for such patients as a surge in infection driven by the more contagious Delta variant rips through Spain's mostly younger, unvaccinated population.

YOU ARE VULNERABLE

Although mortality is much lower than in earlier waves of the pandemic, Lopez Montesinos said hospitals like hers were under growing pressure. She attributes this sudden jump in cases to a lifting of restrictions across Spain over the past few months, a rise in tourism and students' summer breaks.
