PALMA, HOME OF THE SUPERYACHT

Palma is the home of the superyacht at the moment. In the Club de Mar yesterday was the beautiful sailing yacht *Creole*, owned by the Gucci family, the *Venus* owned by the Jobs family (Apple) and the *Yasmine of the Seas* owned by a mem-

ber of the Qatari royal family (pictured far right). Not as big but certainly as beautiful is the sailing boat *Argyll* owned by British comedian and actor Griff Rhys Jones. Top, the bow of the *Venus*. See Inside.
