HOLLYWOOD COMES TO MALLORCA

● **Superstar Morgan Freeman** is so impressed by a Palma restaurant that he dines there **twice in the space of three days**.

Palma.—Hollywood arrived in Mallorca this week as filming got underway on the U.S. series *Lioness* which stars Morgan Freeman, Zoe Saldña (of *Avatar* fame) and Nicole Kidman.

Morgan Freeman, who arrived over the weekend, has taken a special liking to Sandro restaurant

(See our review today on P27) and he has eaten there on two occasions in the space of three days.

Filming has taken place at the Hotel Gloria and at the Pueblo Español. Scores of people are involved in the production of *Lioness* which is set

to be one of the biggest productions ever made on Mallorca.

So far Nicole Kidman has not arrived yet but she is expected over the coming days. Glorious weather has meant that filming can take place without a hitch.

Leader of the Partido Popular, Marga Prohens, gives a meeting in Palma.
