DON'T FORGET YOUR UMBRELLA IN MALLORCA!

Palma.—When you are heading out in Mallorca don't forget to pack your sun-screen and your umbrella! On Sunday at the opening of the new Magalluf promenade hotel staff handed out umbrellas to many guests so that they could beat the

heat. Temperatures have reached the 40 degrees Centigrade mark across the island with many saying that it is too hot for comfort. The Met Office has said that this summer will be hotter than normal, so keep your umbrella close.
