Palma.—The Balearics is  
facing an immigration cri-  
sis with small boat arrivals  
this year up by 50 percent  
and the situation is be-  
coming fatal.

Yesterday, the Guardia  
Civil and the Maritime  
Safety Agency continued  
an intensive search for  
three people from a small  
boat that capsized on  
Wednesday off the south  
of Mallorca.

The three are believed to  
have attempted to swim  
to the shore.

One person died and  
nineteen others were res-  
cued.

Seven more people were  
rescued in different areas,  
two of them by a private  
boat.
