MALLORCA'S BILLIONAIRE BAY

● 2 of the world's biggest superyachts and Jennifer Aniston and Courteney Cox on the island.

The superyachts, *Limitless* and *Rising Sun*, were both moored at the Sa Foradada beauty spot in Mallorca this week. On board one of the yachts was superstar Jennifer Aniston, who returned for a second year.

Palma.—Two Hollywood superstars and two of the world's biggest superyachts gathered at the Sa Foradada beauty spot on Mallorca's west coast this week along with other stars and smaller superyachts.

It was a scene which clearly underlined the fact that Mallorca is the playground of the rich and famous.

Jennifer Aniston returned to the island for

the second year running and she was aboard the yacht, *Rising Sun*, owned by U.S. billionaire David Geffen. She was joined by fellow superstar Courteney Cox.

Moored nearby was another superyacht, *Limitless*, owned by American billionaire businessman Les Wexner, the former CEO of L Brands (best known for Victoria's Secret).

Close nearby were other smaller yachts but

still valued in the scores of millions with other stars of the film world aboard. All in the same beauty spot in Mallorca on the same day. And to give Mallorca's Billionaire Bay even greater prominence, Hollywood stars Michael Douglas and Catherine Zeta Jones have a home nearby.

It was a gathering which underlines Mallorca's 'A List' status.
